GIANT SQUID

We are a group of renegade hooligans nestled in a warehouse in Eureka, CA. Our group works in a variety of artistic mediums, but primarily drawing and printmaking. The intention of the book you now hold in your hands is to have an excuse to get folks together to work on a project while liberating drawings from an uncertain fate inside sketchbooks everywhere. This is a limited edition screen-printed book, lovingly made by your friends at the Giant Squid. If you wish to become involved, send us an email at giant squid@googlegroups.com. We will welcome your input. Thanks for supporting us!
